There are a number of **situations in which we may use or disclose** to other persons or entities your confidential health information, as is necessary for comprehensive treatment or to obtain reimbursement of our fees. Certain disclosures that are required by law, or under emergency circumstances, may be made without your Acknowledgement or Authorization. Under any circumstance, we will use or disclose only the minimum amount of information necessary from your medical records to accomplish the intended purpose of the disclosure.

Treatment: We will use your health information to make decisions about the provision, coordination or management of your healthcare, including analyzing your condition and determining the appropriate treatment for that condition. This information may also be used for billing, claims management and collection purposes.

Except as indicated above, your health information will not be used or disclosed to any other person or entity without your specific Authorization, which may be revoked at any time.

You have the right to inspect, copy and request amendments to your health records. We will charge a reasonable fee for providing a copy of your health records, or a summary of those records, at your request, which includes the cost of copying, postage, and preparation or an explanation or summary of the information.

All requests for inspection, copying and/or amending information in your health records, and all requests related to your rights under this Notice, must be made in writing. We will respond to your request in a timely fashion.
